The Title in PALM has been updated to be consistent with the Examiner's Amendment, mailed 6/1/06, which replaced the previous Title with the following:

TREATING INTESTINAL INFLAMMATION WITH ANTI-CD80 ANTIBODIES THAT DO NOT INHIBIT CD80 BINDING TO CTLA-4.

Given that this previous change to the Title incorporates applicant's intent in the 312 Amendment to be consistent with the related applications and reflect the subject matter of the allowed claims, applicant's 312 Amendment has NOT been entered.
